Everlife, Strangers Like Me

Whatever you do, I'll do it too Show me everything and tell me how It all means something And yet nothing to me

I can see there's so much to learn It's all so close and yet so far I see myself as people see me Oh, I just know there's something bigger out there

I wanna know, can you show me I wanna know about these strangers like me Tell me more, please show me Something's familliar about these strangers like me

Every gesture, every moe that she makes Makes me feel like never before Why do I have This growing need to be beside her

Ooo, these emotions I never knew Of some other world far beyond this place Beyond the trees, aboe the clouds I see before me a new horizon

I wanna know, can you show me I wanna know about these strangers like me Tell me more, please show me Something's familiar about these strangers like me

Come with me now to see my world Where there's beauty beyond your dreams Can you feel the things I feel Right now, with you Take my hand There's a world I need to know

I wanna know, can you show me I wanna know about these strangers like me Tell me more, please show me Something's familiar about these strangers like me

I wanna know, can you show me I wanna know about these strangers like me Tell me more, please show me Something's familiar about these strangers like me

... I wanna know
