Every 6 Steps, Love

(chorus)
love are the one
who make u believe
don try to hard they say
makes me wanna do
u know u can't kiss
cos there's nothin to hold on to
juz make it away
loves always there

into the whole body feel the light then make it slower for the one to ignight

barely got to know wat do u think but barely there is nothin to make u go spring

(chorus)

yeah , yeah don make me go

oho oho hear the call

of love indeed wherever it states......
