

# Everyday Sunday, Bring It On

You go, you say it all was easy  
Nothing's wrong it's all fine  
Except for that everything's wrong  
I didn't mean to be the one  
To make you think about it, no  
I won't be the one to sit and take your throws

Chorus

Bring it on, bring it on  
If you've got something to say, then say it loud  
Bring it on, bring it on  
We're bringing it for God, so bring on the crowd

We're here to say we're not going away  
We won't back down  
I guess we're here to stay  
I didn't mean to be the one  
To make you think about it, no  
I won't be the one to sit and take your throws

Chorus

Bring it on, bring it on  
If you've got something to say, then say it loud  
Bring it on, bring it on  
We're bringing it for God, so bring on the crowd
