

Everything But The Girl, Alfie

ALFIE

Whats it all about, alfie?
Is it just for the moment we live?
Whats it all about when you sort it out, alfie?
Are we meant to take more than we give
Or are we meant to be kind?

And if only fools are kind, alfie,
Then I guess its wise to be cruel.
And if life belongs only to the strong, alfie,
What will you lend on an old golden rule?
As sure as I believe theres a heaven above, alfie,
I know theres something much more,
Something even non-believers can believe in.

I believe in love, alfie.
Without true love we just exist, alfie.
Until you find the love youve missed youre nothing, alfie.
When you walk let your heart lead the way
And youll find love any day, alfie, alfie
