Everything But The Girl, I Don't Want To Talk Abo

I can tell by your eyes that you've prob'bly been cryin' forever, And the stars in the sky don't mean nothin' to you, they're a mirror. I don't wanna talk about it, how you broke my heart. If I stay here just a little bit longer, If I stay here, won't you listen to my heart, whoa, heart?

If I stand all alone, will the shadow hide the colors of my heart; Blue for the tears, black for the night's fears.

The star in the sky don't mean nothin' to you, they're a mirror. I don't wanna talk about it, how you broke my heart. If I stay here just a little bit longer, If I stay here, won't you listen to my heart, whoa, my heart? I don't wanna talk about it, how you broke this ol' heart.

If I stay here just a little bit longer, If I stay here, won't you listen to my heart, whoa, my heart? My heart, whoa, heart.
