

# Everything But The Girl, Missing (Club Mix)

I step off the train,  
I'm walking down your street again,  
and past your door,  
but you don't live there anymore.

It's years since you've been there.  
Now you've disappeared somewhere  
like outer space,  
you've found some better place,

and I miss you  
- like the deserts miss the rain.

Could you be dead?  
You always were two steps ahead  
of everyone.  
We'd walk behind while you would run.

I look up at your house,  
and I can almost hear you shout  
down to me  
where I always used to be,

and I miss you -  
like the deserts miss the rain.

Back on the train,  
I ask why did I come again.  
Can I confess  
I've been hanging around your old address?

And the years have proven  
to offer nothing since you moved.  
You're long gone  
but I can't move on,

and I miss you -  
like the deserts miss the rain
