

# Everything But The Girl, We Walk The Same Line

If you loose your faith, babe, you can have mine,  
And if you're lost I'm right behind,  
Cause we walk the same line.

Now I don't have to tell you  
How slow the night can go,  
I know you've watched for the light.

And I bet you could tell me  
How slowly four follows three,  
And you're most forlorn just before dawn.

So if you loose your faith babe,  
You can have mine,  
And if you're lost, I'm right behind,  
Cause we walk the same line.

When it's dark baby,  
There's a light I'll shine,  
And if you're lost, I'm right behind,  
Cause we walk the same line.

And I don't need reminding  
How loud the phone can ring  
When you're waiting for news.

And that big old moon  
Lights every corner of the room.  
Your back aches from lying  
And your head aches from crying.

So if you loose your faith babe,  
You can have mine,  
And if you're lost, I'm right behind,  
Cause we walk the same line.

When it's dark baby,  
There's a light I'll shine,  
And if you're lost, I'm right behind,  
Cause we walk the same line.

And if these troubles  
Should vanish like rain on midday,  
Well I've no doubt there'll be more.

And we can't run and we can't cheat,  
Cause babe when we meet  
What we're afraid of,  
We find out what we're made of.

So if you loose your faith babe,  
You can have mine,  
And if you're lost, I'm right behind,  
Cause we walk the same line.

When it's dark baby,  
There's a light I'll shine,  
And if you're lost, I'm right behind,  
Cause we walk the same line.
