

Everything Is Made In China, My Marshall

You want to turn
You want to turn this out
I told you know when
I want to try
I want to try ignore you
into into

In love
But now I have this
You have this
You try your best
You try the best you can
I really like you
I need to lie, I need to lie for us

I need that I have
You
You can

So this the end why
So this the end why
My Marshall
My Marshall
My Marshall
