

# Evil Dead, Welcome To Kuwait

Living on borrowed time  
Sanctions will never work  
Defending the oil fields  
In "Operation Desert Shield";  
Life seems to reveal a story  
Taken from the book of the old  
Babylon reincarnates  
A million souls praise the false one  
The beast will rise from the east  
Bringing forth the atrocity.

From the Lord's creation  
The abomination  
Economic warfare  
The revelation

Welcome to Kuwait  
Welcome to Kuwait.

Strategic bombardment  
Surgical assault  
Strategic bombardment  
"Operation Desert Storm".

Life seems to reveal a story  
Taken from the book of the old  
Babylon reincarnates  
A million souls praise the false one  
The beast will rise from the east  
Bringing forth the atrocity.

No peaceful resolution sighted  
More soldiers - Tour of Duty  
A time to test our weapons  
And strenghten our economy  
Frm the Lord's creation  
The abomination  
Economic warfare  
The revelation

Welcome to Kuwait  
Welcome to Kuwait.
