

# Excel, Fired (You're)

[Verse 1:]

So beautiful, so bright  
Once upon a time, I was right  
You knew everything, Yes, you did  
You know nothing, so place your bid

[Chorus:]

You're Fired  
You're Fired  
That's right you're fired

[Verse 2:]

You have weak friends  
That's right  
Maybe it's time you learn  
How to fight

[Chorus:]

You're Fired  
You're Fired  
You're Fired

[Verse 3:]

What do you want from me?  
I'm sorry for my honesty  
Self-Infliction is your game  
For your ago that's pretty lame  
You must accept who you are  
If you do, you'll go far  
Knowledge is your key to life  
No one's there with a knife  
You're no young, why you trip?  
When you're old you will flip  
Feeling bad, feeling good  
Can you stop, I wish you would  
You say to me, save your breath  
Keep it up, welcome death  
You say to me, save your breath  
Keep it up, welcome death

[Chorus:]

You're Fired  
That's right, You're Fired  
You're Fired

[Verse 4:]

Feeling lonely  
Dying slowly  
You have got nowhere to turn  
Speaking to you  
Can't get through you  
You have blocked the outside world...
