

Excellence, Her Or Me

Ah ah
Is it her or me
Is it ah ah
Her or me
Ah ah ah
Is it her or me
Ah ah
Is it her or me
Is it ah ah
Her or me
Ah ah ah
Is it her or me

I feel like I'm a prisoner of love
Wanting to break free
Knowing I could look but never touch
I picture us in ways that I can't tell
But you belong to her
Sharing you means lying to myself

Can't you see that I
Don't need a lover
I won't be the other girl
If you love let me know
If you don't just let me go

I don't want your borrowed time
So tell me what's it gonna be
Is it her or me
Make up your mind
Gotta put it on the line
The only one you wanna see
Is it her or me

Now looking for the pieces of a dream
I only play for keeps
Won't settle for nothing in between (no no no no)

If I can only have you when you call
Then baby I must say
It's better I'm not seeing you at all

Can't you see that I
Don't need a lover
I won't be the other girl
If you love let me know
If you don't just let me go

I don't want your borrowed time
So tell me what's it gonna be
Is it her or me
Make up your mind
Gotta put it on the line
The only one you wanna see
Is it her or me

Ah ah
Is it her or me
Is it ah ah
Her or me
Ah ah ah
Is it her or me

Can't you see that I

Don't need a lover
I won't be the other girl
If you love let me know
If you don't just let me go

I don't want your borrowed time
So tell me what's it gonna be
Is it her or me
Make up your mind
Gotta put it on the line
The only one you wanna see
Is it her or me

I don't want your borrowed time
So tell me what's it gonna be
Is it her or me
Make up your mind
Gotta put it on the line
The only one you wanna see
Is it her or me
