

Exciter, Ritual Death

Screams can be heard from a distant place
BLOOD SPILLS, it can't be traced
Underground cultists are to prepare
A VOYAGE WHERE life is death
Don't be caught by the hand of a Sinner
TEAR YOU APART like dogs in anger
The ritual begins with a prayer full of lies
DESTROY - forbid the living
POSSESSED - by Ritual Death
POSSESSED - by Ritual Death
POSSESSED - by Ritual Death
POSSESSED - by Ritual Death

Slaughter of the innocent souls
TAKEN BY FORCE and ripped from the cross
Torture reveals a man
INSANE WORLD, the light shines black
Traumatized by fear
LIFE AND DEATH - the hangman's near
Demons shadow of Hell
LED BY THE ONE - they count their spells

POSSESSED - by Ritual Death
POSSESSED - by Ritual Death
POSSESSED - by Ritual Death
