

# Exhumed, Excreting Innards

(musick - Matt Harvey, Derrel Houdashelt; lyrixxx - Matt Harvey, 1992)

Gnawing the stools, I masticate with fervor, Enthusiastically I ingest the discharge of your gaping anus, Anal disgorgement of steaming bits of meat... Each smelly mouthful I devour, Your rectum is now going sour... I divulge the latent feast of your colon, As my drill gouges an avenue of ano-obliteration... Steaming fecal morsels expelled, Chunks of watery bloodied stool, Your salivating sphincter is throbbing, As I begin to heartily drool... Shredded chunks of your buttocks, Your gaping anus is ground and mulched, As you are made to excrete your innards, Your pulsating sphincter emits a septic belch... Sanguineous anal discharge... Loosened bowel segments, Your colon hemorrhaging in fecal fistula, This disemboweling enema, Turns your anus inside-out...
