## Exhumed, The Matter Of Splatter

Pernicious ' A ghastly Gordian quandary to elucidate Pestiferous ' A nebulous necrotic novelty to navigate Labyrinthine ' A contumely carnal conundrum to cogitate Serpentine ' An exulcerated entanglement to execrate...

Hands stained and filthy from digging deep for the answer That lies at the heart of the matter of splatter...

Eschatological ' The grave matters with which we struggle Pathological ' The perverse perpetuation of this purulent puzzle Repugnant ' The wretched riddle unravels in a reeking revelation Repulsive ' The final fetid farce yields such a rancid realization

Now your morbid curiosity may finally be answered Deep in the heart of the matter of splatter...

A morbid matter on which to meditate or mutilate A deathly detail to deliberate and desiccate A sombre study in which sagacity is tantamount to insanity An insalubrious interest in the inhumed and the unsanitary...

An unhealthy pursuit of the purulent and parturient A feculent fixation upon the fetid filth and excrement An exhaustive examination of the excreted and the exhumed A tireless appetite to hill the silt atop the tomb...

Nebulous ' The sanguineous solution is seldom seen before the last Amorphous ' Seemingly always six deep feet beyond your grasp Funereal ' Carnal cartography to chart the course of life's denouement Corporeal ' The wretched revelation that you sought proves harder to swallow than you'd thought...

That anatomy is destiny is the unforgiving answer Culled from the heart of the matter of splatter...
