

# Exodus [Thrash Metal], Exodus

It starts with life, a way to live  
I love the sound of pain  
the more it hurts the better I feel  
the world will fall insane  
it comes to me late late at night  
when I feel like being cruel  
whip out the chains and get the knife  
and slay some innocent fool  
Get in our way and we're going to take your life  
kick in your face and rape and murder your wife  
plunder your town your homes they'll burn to the ground  
you won't hear a sound until my knife's in your back  
the exodus attack  
The filthy sound of death and pain  
brings pleasure that I need  
the rotting hide the burning flesh  
the smell and I agree  
bloody corpse makes me feel great  
painkiller in my life  
cut bare flesh to the bone  
use a rusty knife  
Get in our way and we're going to take your life  
kick in your face and rape and murder your wife  
plunder your town your homes they'll burn to the ground  
you won't hear a sound until my knife's in your back  
and the exodus attack  
Buzzards eat as well as worms  
nature's death machines  
pin you on the desert floor  
now you're hell's cuisine  
I tell you all it's the way to live  
get stronger on death glory  
infringing on sacrificial rites  
death's your final story
