Exodus [Thrash Metal], Exodus

It starts with life, a way to live I love the sound of pain the more it hurts the better I feel the world will fall insane it comes to me late late at night when I feel like being cruel whip out the chains and get the knife and slay some innocent fool Get in our way and we're going to take your life kick in your face and rape and murder your wife plunder your town your homes they'll burn to the ground you won't hear a sound until my knife's in your back the exodus attack The filthy sound of death and pain brings pleasure that I need the rotting hide the burning flesh the smell and I agree bloody corpse makes me feel great painkiller in my life cut bare flesh to the bone use a rusty knife Get in our way and we're going to take your life kick in your face and rape and murder your wife plunder your town your homes they'll burn to the ground you won't hear a sound until my knife's in your back and the exodus attack Buzzards eat as well as worms nature s death machines pin you on the desert floor now you re hell's cuisine I tell you all it's the way to live get stronger on death glory infringing on sacrificial rites death's your final story
