

# Exodus [Thrash Metal], Within the walls of chaos

Murder, drugs, cash, and greed  
It touches everyone and everything  
Within the walls there's no escaping the disease  
Sidwalks turn to pharmacies  
All the pimps and pushers territories  
Dollars pouring in from the victims trapped within  
Schoolyard's a place of sorrow  
Pray your children live to see tomorrow  
A place where mothers cry, and kiss their dying sons goodbye  
Living in a state of fear  
Afraid of everything they see or hear  
Someone they love may get shot  
For drugs they never even bought!  
Violence is a way of life  
Revenge delivered with a gun or knife  
Paybacks are a bitch  
They'll leave you dying in a ditch  
Caught in the hypnotic spell  
Their life's story they'll never life to tell  
In a hazy curtain, they can't see the end is certain  
Imprisoned by narcotic chains  
Life for some will never be the same  
Trapped in walls of glass  
Hoping that this all will pass  
But some will find their way outside  
Face the evil, eyes open wide  
Break the bonds that pull you in  
Escape the hell that thrives...  
Within the walls  
Of chaos and despair  
Most are unemployed  
Living on welfare  
Prowling the halls  
The vultures come to feed  
On the flesh of those  
Who are enslaved to the need  
The final curtain falls  
And no one sheds a fear  
Their pleas for help always seem to fall  
Upon deaf ears  
Within the walls of chaos they forgot  
That dignity and sanity  
Are things that can't be bought  
With every passing day  
Another life is cast astray  
Wear the wrong colors  
And you might get blown away  
Turn of a page  
Another name's crossed off the list  
Shot between the eyes  
With a rig clenched in his fist  
Driven to the grave  
Ruled by need for kicks  
Extract their own gold teeth  
To satisfy their fix  
There's cracks in the foundation  
The time will soon arrive  
When the walls will crumble down  
And bury everyone alive!  
Within the walls...  
Within the walls of chaos...  
Within the walls...  
Within the walls of chaos...  
Within the walls...

Within the walls of chaos!
