

# Exploited, Fucking Liar

Heard you talking on the phone  
As I waited at the door  
You told me it was just a friend  
Now i know the f\*\*king score

(Chorus)  
You're just a f\*\*king liar  
Liar  
You're just a f\*\*king liar

You lied to me  
You lied before  
And next time  
You'll be out the door  
Pack your bags  
And get to f\*\*k  
You'll never lie to me no more

(Chorus)  
You're just a f\*\*king liar  
Liar  
You're such a little liar

I told you not to lie to me  
Now get your arse out the door  
Liar  
You're just a f\*\*king liar  
Liar  
F\*\*king liar  
Liar  
F\*\*king liar

You know i've never lied to you  
Now f\*\*king do it to me  
I really want to trust you  
Don't f\*\*king lie to me

(Chorus)  
You're just a f\*\*king liar  
Liar  
You're just a little liar  
You lied to me  
You lied before  
And next time  
You'll be out the door  
Pack your bags  
And get to f\*\*k  
You'll never lie to me no more
