

Extended Famm, Good Combination

(Chorus)

You know it's Tonedeff & PackFM
Came through to bomb the nation
Don't Fall for imitations or rhyming abominations
We're sorry we kept you waiting
But glad you had the patience
Cause it's worth it for (A Good Combination)

(V1 - PACK FM)

We're like Boom-Bap and BackPacks, Krylon and fat caps
Thug cats that pack gats, BMI and ASCAP
Now where the fuck my cash at?? Dow Jones and NASDAQ
Bad luck and black cats, Bad guys and black hats

(V1B - TONEDEFF)

Like Cupid to card stores, Lucas to Star Wars,
Han & Chewbacca, and Kaufman to Latka, Breakers moving on cardboard
Cartman & candy, markers and tagged streets, Marvel & Stan Lee

On the way to Roscoes Chicken and Waffles
We got mad cheddar, stayin' dipped like nachos
You can't afford a ride, you just go around takin' pictures at car shows
I don't even know her *why she in the car tho*
Pack you got some 'splaining to do ... Like Ricky Ricardo
Fuck it, in today out tomorrow
Movin' mad units out the store, like puttin' ducttape over the barcodes

(V1F - TONEDEFF)

Don't let me catch my lines caught on ya teeth
Honestly, I'm at war with these pussies, rocking a condom and army fatigues

I Knew something was fishy, when your girl's all out her jeans
Bothering me, rockin' a flowerprint padded bra on her knees
Pardon me, please. I'm fuckin' silly with barbs over beats
You know your ass never bargained for T, nigga, Toss your receipts
Kids never admit to an honest defeat
So, I walk with a hidden camera to serve you, so I can send you a copy for free

(Chorus)

(V2A - TONEDEFF)

We come together like 5 lions forming the Voltron
Holmes & Watson, Doors & Knobs and Holes & Cocks and Hotels post prom
