

# Extreme, Color Me Blind

"Color me blind  
Color me blind"

I had a dream  
Last night I was blind  
And I couldn't see  
Color of any kind

Picture the world, minus a rainbow  
When day becomes night, then where will the sun go?  
Dancing alone, just me and my shadow  
Color me blind, so I can see no evil

Why do we dream in black and white?  
"(Color me blind)"  
Why do we dream in black and white?  
"(Color me blind)" yeah

I had a dream  
I was looking over the mountain  
But I've, I've yet to see the  
The so-called promised land

Picture the world without any color  
You couldn't tell one face from the other  
I don't understand why we fight with our brother  
Color me blind, just to love one another

Why do we dream in black and white?  
"(Color me blind)"  
Why do we dream in black and white?  
"(Color me blind)"

Why do we dream in black and white?  
"(Color me blind)"  
Woah, why do we dream in black and white?  
Color me blind, "(color me blind)"

Picture the world, minus a rainbow  
When day becomes night, then where will the sun go?  
Dancing alone, just me and my shadow  
Color me blind, so I can see no evil

Picture the world without any color  
You couldn't tell one face from the other  
I don't understand why we fight with our brother  
Color "(color me blind)"

Why do we dream in black and white?  
"(Color me blind)"  
Why do we why do we?  
"(Color me blind)"

Color me, color you  
Color me blind  
Color me, color you  
Color me blind
