

Extreme, Get The Funk Out

If you don't like what you see here
Nobody wants to take you prisoner
So, let me make it nice and clear, dear
The exit is right there
I don't mean to be rude, dude
But you better change your attitude
"(I don't like what I see here)"

You're all invited to the party
You know you didn't have to come
No rotten apple's gonna spoil all my fun

If you don't like what you see here
Get the funk out
We won't try to force feed you
Get the funk out

Pure poetry
Not bad, for a pasty faced white boy

You can't please everybody
But everybody can not please me
"(I don't like what I see here)"
That why I do what I want to
So why don't you do, do it to too "(Do it to me hey)"
If you don't like what ya see
You can always leave the country, yeah, yeah, yeah, yeah
"(I don't like what I see here)"

You're all invited to the party "(You are invited to the party)"
You know you didn't have to come "(You know you didn't have to come)"
No rotten apple's gonna spoil my fun

If you don't like what you see here
Get the funk out
"(Huh, get the funk out, get the funk out)"
We won't try to "(we won't try to)" force feed you
"(Force feed you)" Get the funk out
"(Ha, now get the funk out, get the funk out)"

If you don't like "(If you don't like)"
What you see here "(What you see here)"
Get the funk out
"(Get the funk out, get the funk out, get the funk out)"

We won't try to "(yeah, funk out)" force feed you
Get the funk out

If you don't like "(If you don't like)"
What you see here "(What you see here)"
Get the funk out
"(Get the funk out, get the funk out, get the funk out)"
We won't try to "(we won't try to)" force feed you
"(Force feed you)" Get the funk out
"(Ha, now get the funk out, get the funk out)"

If you don't like "(If you don't like)"
What you see here "(What you see here)"
Get the funk out
