

Extreme, Kid Ego

"(Come down)"

Hey kid, I'm talkin' to you
What am I supposed to do?
You know that your something special
That's something that you never knew

Hey kid, got something to say
But you won't listen anyway
I am only trying to help you
But you get further everyday

We think your head is getting
Bigger and bigger and bigger

Hey kid, some good advice
To bring your britches down to size
Some modesty would suit you better
So why don't you give it a try?

Hey kid ego
With your head above the clouds
Hey kid ego
Woah, come down

Hey kid, you're Mr. It
Inch by inch a little bit
Stepping on the little people
Like you don't even give a shit

Hey kid, you have it all
Standing proud on top of the world
Don't you know the bigger they come
The harder they must all fall

We think your head is getting
Bigger and bigger and bigger
We think you should be taught
Some manners, manners, manners

Hey kid, some good advice
To bring your britches down to size
Some modesty would suit you better
So why don't you give it a try?

Hey kid ego
With your head above the clouds
Hey kid ego
Woah, come down

Hey kid ego
With your head above the clouds
Hey kid ego
Woah, come down

Hey kid, some good advice
To bring your britches down to size
Some modesty would suit you better
So why don't you give it a try?

Hey kid ego
With your head above the clouds
Hey kid ego
Woah, come down

Hey kid ego
With your head above the clouds
Hey kid ego
Woah, come down

Hey kid ego
With your head above the clouds
Hey kid ego
Woah, come down, come down, come down
