

# Extreme, Rest In Peace

"&quot;Let's talk a (piece)peace.&quot;" Sounds so clich  
A novelty catch phrase of the day  
Middle-index, sign of the time  
Just as complex as water to

"(Someone said give peace a chance)"  
And that's all that was said  
"(While we're sitting on the fence)"  
Pretending  
"(Our hearts are in the right place  
But your face shows a trace of)"

Hypocrisy  
Don't tread on me  
Now you can see

"&quot;Make love not war&quot;" sounds so absurd to me  
We can't afford to say these words lightly  
Or else our world will truly rest in peace

"&quot;Ban the bomb.&quot;"

Let's not pretend to justify  
Rather amend where chances lie  
Straight through the heart, peace can be found  
That's where you start, not all around

"(Someone said give peace a chance)"  
And that's all that was said  
"(While we're sitting on the fence)"  
Pretending  
"(Our hearts are in the right place  
But your face shows a trace of)"

Hypocrisy  
Don't tread on me, boy  
Now you can see

"&quot;Make love not war&quot;" sounds so absurd to me  
We can't afford to say these words lightly  
Or else our world will truly rest in peace

"&quot;Make love not war&quot;" sounds so absurd, ha, sounds so absurd  
We can't afford to say these words lightly, ha ha ha ha  
Or else our world will truly rest in peace

"&quot;Make love not war&quot;" sounds so absurd to me  
We can't afford to say these words lightly, yeah  
Or else our world will truly rest in peace

"&quot;Make love not war&quot;" sounds so absurd to me

"&quot;Make love not war&quot;" sounds so absurd to me "(ooh)"  
We can't afford to say these words lightly "(ooh)"  
Yeah, or else our world will truly rest in peace
