

# Extreme, Song For Love

I lie awake with open eyes  
My love just died  
I'm cold inside

Can't face the thought to be alone  
All by myself on my own  
Love's come and gone

I look around and see the hearts that still are broken  
I can't believe all of our hearts remain unopened  
Can't go on and on with that same old song

So wipe off the frown and turn around and face each other  
Come on, come on, let's sing a song  
A song for you, a song for me, a song for love

All for one and one for all together  
Singing a song for love  
You and I are none without the other  
Singing a song for love

You let the time pass by  
Big boys don't cry  
Believe that lie "(Why do I?)"

A broken heart can never mend  
Is this the end?  
Listen my friend

These walls of hate that separate one from the other  
Time to rebuild bridges of love one to another  
Come on, come on, let's sing a song  
A song for you, a song for me, a song for love

All for one and one for all together  
Singing a song for love  
You and I are none without the other  
Singing a song for love

All for one and one for all together  
Singing a song for love "(Everyone, sing along)"  
You and I are none without the other  
Singing a song for love "(Singing, singing a song)"  
Come on, yeah, come on, come on everybody

All for one, one for all  
Singing, singing a song  
You and I, you and I, can love to fly  
Singing, singing a song

All for one, one for all  
You gotta, yeah, yeah, yeah  
Singing a song for love
