Eyes Set To Kill, Pure White Lace

Always forgive, never forget Its just like me to pretend and give into her every need showing no signs of defeat Thirsting for you, Thirsting for the tears you cry Waiting for you, Waiting for your pleading cries Don't be blinded by her Don't be blinded; its disguise Don't be blinded by her eyes Skin so soft and pure white lace Beauty takes control of you Don't be blinded by her eyes Don't be blinded its disguise Shell suck every inch of life from deep inside of you. Her burning passion for hate takes control of you every inch of light from deep inside my only regret lies in all the nights spine removed from back, faced down on the floor. I offered her my heart, but still she wanted more Skin so soft Beauty is only skin deep. Pure white lace; is enough to cut through, exposing what's beneath
