

# Ezspecial, My Explanation

There must be some explanation  
To all my frustrations inside my head.  
I've always dreamed before it could be  
and I still dream.  
I know I can't change my past.  
It's time to move on, at last.  
I've not always been as strong as I can  
but I know that  
I had my ups and downs.  
I lost myself, yesterday.  
Time moves mountains, they say.

CHORUS:

Do do do do do  
Do do do do  
I'm gonna change that tonight  
Do do do do  
I'm gonna feel alright  
Do do do doou  
Just as long as the stars still shine.

I've try to do my best all my life,  
But time shows me is not enough to try.  
That no one can't deny.  
I'm gonna get a ride this time.

CHORUS:

Do do do do do  
Do do do do  
I'm gonna change that tonight  
Do do do do  
I'm gonna feel alright  
Do do do doou  
Just as long, as long, as the stars still shine.

I'm not always been as strong as I can.

CHORUS:

I'm gonna change that tonight  
I'm gonna change that tonight  
I'm gonna change that tonight  
I'm gonna change that tonight  
Do do do do  
I'm gonna change that tonight  
Do do do do  
I'm gonna feel alright  
Do do do do  
I'm gonna feel alright  
Do do do do  
I'm gonna change that tonight  
Do do do do  
I'm gonna feel alright  
Do do do do  
I'm gonna change that tonight  
Tonight  
Tonight  
Tonight  
Alright
