

Ezspecial, Thinking About U

I've been thinking for a long time
I don't know how to tell you this'
Girl, I can't hide no more,
Just can't stop thinking about you

Running slow on a journey
I can't focus on any work,
Girl I can't hide no more,
Just can't stop thinking about you

Oh, oh, do you feel the same?
Just can't stop thinking about you

Do you feel the same?
