

# Fabulous, My Life

(feat. Mary J. Blige)

[Mary J. Blige]

[harmonizing]

All my love is all I have

All my life I look for you

[Verse 1 - Fabolous]

I'm just Fab, I see how Mary be now

But I can barely be found

And I rarely be round

But when I do, the jury be drowned

And you can see how clear the Pile Vase, and the Canaries be now

The top on the 5 series be down

And I'm chillin' where them little houses on the prairie be now

Although there was a time I would barely see fowls

But I'm gettin' a multi-million dollar yearly fee now

Girls, don't even know me, want to marry me now

Dudes, I thought was homies, want to bury me now

That's why I keep a bulletproof vest, no matter where we be now

And I carry three pounds, and nearly three rounds

I take whatever the verdict from the jury be now

Rather than friends, it's pallbearers that carry me round

Everybody staring unnecessarily now

But there's no tints on my lights, so you can clearly see now

[Chorus - Mary J. Blige]

All my love is all I have

And my dreams are very special

All my life I looked for you

And today your dream come true

You need me and I need you

Lovin' us is very special

Lovin' life and life and livin'

Your very special

[Verse 2 - Fabolous]

Ya'll can never be built like me, even if ya'll look at my blueprint

But since ya'll watches look like its movement

I'll show you how video games look on the new Sprint

Flip out digital screens, look in the new Bent

100 and flat screens, look in the new Pint

Even our Air Forces lookin' to new tints

I stay away from anythin' that look like a nuisance

But ya'll gotta peep this rookie's improvement

I tip it with you and

Cause most dudes was doin' verses for a few dollars and a hook for a few cents

All I do is try to teach and look to influence

But it look like the students are playin' hooky, and truin'

And some say that we lookin' like new gents

But money talks, and it don't look like ya'll fluent

And ya'll done seen how this young'n look in the new pints

But it's my life and you can't look in the new tints

[Chorus]

[Verse 3 - Fabolous]

Uh, If I could say so myself, I came a long way

Even though I feel like the same old John J.

Nothin' change, when I aim, I'm gonna spray

When I eat, I order the same old entree

When I ride, I let the same old songs play

And when I work, I do the same old long days

From bein' Fab, to looked at by dames the wrong way

They know where we came, from the name they call me  
I already know what these lames is gonna say  
And I already seen what games they gonna play  
Fuck with family, don't say the name the wrong way  
And when you die, ya'll crackers gonna blame it on strays

[Mary J. Blige]  
Cause love is life, and life is livin'  
Your very special  
[harmonizing]

[Chorus - w/ variations]

[harmonizing]  
Me and Fab are very special  
[harmonizing]  
Me and Fab are very special
