Face To Face, Nothing New

there is nothing new put in front of you nothing you don't understand don't try to rationalize no one hears your lies only you can comprehend

you don't want to see you don't want to hear you don't want to feel at all tell me that you've tries mind is open wide but you're not listening at all

please don't question me I don't have the time if there's a problem that it's easier to set aside there is nothing that will make you want to change your mind you can't take it you can't make it you can't make it so why try?

there is nothing new put in front of you tell me that you've tried to tell me that your mind is open

please don't question me I don't have the time if there's a problem that it's easier to set aside there is nothing that will make you want to change your mind you can't take it you can't make it you can't make it so why try?
