

# Face To Face, Planet Earth

Only came outside to watch the nightfall with the rain  
I heard you making patterns rhyme like  
Some new romantic looking for the tv sound  
You'll see I'm right some other time look now

Look all around, there's not sign of life  
Voices, another sound  
Can you hear me now?

This is planet earth, you're looking at planet earth  
Bop bop bop bop bop bop bop

This is planet earth  
My head is stuck on something precious let me know  
If you're coming down to land is there  
Anybody out there trying to get through?  
My eyes are so cloudy I can't see you

Look now, look all around, there's no sign of  
Life voices, another sound

Can you hear me now?

This is planet earth
