

# Face To Face, Take It Back

I won  
I worked too hard to get it  
So what?  
It's over just forget it  
Too much, too soon  
Too late until you realize  
You've got it made?  
You're in for a big surprise  
That's not what I want at all  
That's not what I wanted  
Can I take it back?  
Can I take it back?  
I'm asking  
It's gone  
And I don't want to fake it  
It's wrong  
I've become the one I hated
