Fady Maalouf, One More Try

You make my world go crazy
Im crazy for you
I need you now to save me
And I wanna be with you

Ive been untrue
I hurt you through
Forgive me now
Ill make up somehow

One more try
Im lonely here without you
Put my arms around you
One more try
And my soul is searching
Nothing than the real thing
Baby one more try

So many lies I told you
Too may lies
Uh I hurt you so

Ive been untrue
I hurt you through
Forgive me now
Ill make up somehow

Ive been untrue
I hurt you through
Forgive me now
Ill make up somehow

One more try
Im lonely here without you
Put my arms around you
One more try
And my soul is searching
Nothing than the real thing

One more try
And my soul is searching
Nothing than the real thing 2x

Baby give me one more chance to show you
I really wanna show my love
I really wanna show my love for you
Baby remember all that weve planned
I really wanna show my love
I really wanna show my love for you

Baby one more try...
