

Faf Larage, Huge Temper

I said come down
i said come down
i said come down to my shop
i said come down to the stop
you never came!

you told me i had a Huge Temper
A huge temper is what you said
I have a Huge temper
in my own shed!

i said go up
i said go up
i said go up to the house
i said go up to the mouse
you never came!

(chorus)

do I really have a huge tmeper
or are you kidding me?
i said do i have a huge temper?
or are you kidding me?

yes
no
yes
no
Huge temper
Huge temper
