

# Fair To Midland, Abbey's Account

take a dive into the shallow or deep  
make a choice between which one  
live alone among the wolf and the sheep  
I felt a piece of the portion  
catching eyes of the ill tasted will

so as to feed on the pressure  
she felt alone so she tempted her means  
I made my home in the earthquake

bullshit  
your safe  
let your guards down

walk  
sigh  
fate
