

Fair Weather Friends, Fill this up

If everything is hard
That's the word I tell you
About my feelings, yes sure
That will be fair, yeah
The trouble with
Cross the deep seas
Thanks to you
All good thoughts coming back to me
You have to go for..
Ordinary measure
I imagine that it is up to you now

..
That's so many colors
You gat to make it happen

Fill this moment
Fill this up
Stay together
