

Fairlight Children, Bedsitter

New clothes
New glasses
A new brain
To go along with them

A new way
A new soul
A new age
To go along with it

You should've just let it go
??? on what happened
You should've just let it go
Changing yourself way too much leads to nowhere

New clothes
New glasses
A new brain
To go along with them

A new way
A new soul
A new age
To go along with it

You should've just let it go
??? on what happened
You should've just let it go
Changing yourself way too much leads to nowhere

You should've just let it go
??? on what happened
You should've just let it go
Changing yourself way too much leads to nowhere
