Please don't get us wrong, man This is just a song, man No matter what we say This is the season Stormy weather's on the way This is the season Stormy weather's on the way You better start worrying, witchcraft's here to stay

In comes Saville Had his fill of travel Grabbed a bite on the flight, just touched down today Looking drawn and haggard Through the door he staggered With a sound that he found over Frisco way

Please don't get us wrong, man This is just a song, man No matter what we say This is the season Stormy weather's on the way This is the season Stormy weather's on the way You better start worrying, witchcraft's here to stay
