

# Fairport Convention, One Sure Thing

He used to be the only man I would see  
He used to be the only good man for me  
Oh, he used to be my one sure thing  
Look at me now, what you see, it isn't me  
Look at me now, just a leaf without a tree  
Oh, he used to be my one sure thing  
My man, he doesn't care for me  
And what he does, he doesn't do for me  
And when I need something  
To him, it doesn't mean a thing  
You know he used to be my one sure thing  
My man, he doesn't care for me  
And what he does, he doesn't do for me  
And when I need something  
To him, it doesn't mean a thing  
You know he used to be my one sure thing
