

Fairport Convention, Walk Awhile

Walk awhile, walk awhile, walk awhile with me
The more we walk together love, the better we'll agree
We'll agree

One hand in your mouth and a finger in your eye
Undertakers bow their heads as you go walking by

Walk awhile, walk awhile, walk awhile with me
The more we walk together love, the better we'll agree
We'll agree

Here comes another Sunday, ringing on the bell
And here comes your own dear child with another tale to tell

Walk awhile, walk awhile, walk awhile with me
The more we walk together love, the better we'll agree
We'll agree

Bring along the brewer's head, bring the cuckoo tree
Bring your lady mother along to keep us company

Walk awhile, walk awhile, walk awhile with me
The more we walk together love, the better we'll agree
We'll agree

Two miles down the road, Henry Tomkins' wife
Three miles down the road, he's running for his life

Walk awhile, walk awhile, walk awhile with me
The more we walk together love, the better we'll agree
We'll agree

O walk awhile, walk awhile, walk awhile with me
The more we walk together love, the better we'll agree
We'll agree
