

# Faith Evans, I Don't Need It

[Verse:]

Lately I've been worrying you out there huggin the block and im here alone again you know i'll do w  
to myself is startin to stress me out cant' complain I know you tryin to make life better for us but thir  
and I can't take it cause I miss you so much

[Chorus:]

You say you want me to have the world and I believe it but if that means you not here with me then

[Verse:]

Now i'm Not ready to trade in all my county bags and i'm not sayin that you should rush and take th  
life style but i'll trade it all to have you around cant complain I know you tryin to make life better for  
gonna last for ever and I can't take it cause i miss you so much

[Chorus:]

You say you want me to have the world and I believe it but if that means your not here with me then

[Bridge:]

I know I never say it but I do appreciate the things you do I Appreciate everything but the only thing  
you you know i rather be with youuuu All i need is you so you don't have to give me the world

[Chorus:]
