

# Faith Evans, L Just Can't

1 - I just can't help feeling the way I feel  
Just let me show you this love is real  
I just can't help feeling the way I feel  
The things you do to me  
Boy I love you

The time has come for me to show  
Show that I care for your soul  
No one makes me feel the way you do  
And I'll never let you go

Repeat 1

You know my love for you is strong  
I loved you for too long  
Now it's time for you to realize

That you'll always be in my heart

2 - and I love the things you do for me  
You give me so much joy  
Boy, you know all I need is you  
You mean the world to me  
And it's plain to see  
That boy I love you
