

Faith Evans, L Just Can't

1 - I just can't help feeling the way I feel
Just let me show you this love is real
I just can't help feeling the way I feel
The things you do to me
Boy I love you

The time has come for me to show
Show that I care for your soul
No one makes me feel the way you do
And I'll never let you go

Repeat 1

You know my love for you is strong
I loved you for too long
Now it's time for you to realize

That you'll always be in my heart

2 - and I love the things you do for me
You give me so much joy
Boy, you know all I need is you
You mean the world to me
And it's plain to see
That boy I love you
