

# Faith Evans, Never Gonna Let You Go

If I had one wish, boy  
I'd wish you next to me  
And it could be in summer, fall or spring, boy  
'Cause you make my heart sing  
I wanna give my heart, my soul, my love to you  
Oh baby  
'Cause every day I'm not with you  
I'm missing you like crazy  
I need for you to...

[Chorus]

I need for you to love me, hold me, touch me  
Down deep in my soul, and never let it go  
Of the love we share, no one compares to you  
I'll never let you go 'cause I really love you so  
Oh I...  
I'll never let you go, oh no

If you must know the truth, boy  
I'm nothing without you  
Now I know what people mean, boy  
When it's too good to be true  
Because you give me joy, good love,  
good times, such happiness  
Oh yea  
And every day I thank the Lord for you,  
I feel so blessed  
I need for you to...

[Chorus]

If you only knew  
What you really do  
Ain't never had no one that does it quite like you do  
You could spend half a lifetime  
Trying to find one like you  
That's why I am so glad I found you  
I wished upon a star and it came true  
Darling, I need for you to...

[Chorus]
