

# Faith Hill, Baby You Belong

There's a reason why  
You can look up every night  
Every star in heaven is in its place  
There's a reason why  
The full moon pulls up tight  
And the waves roll in to a shore that always waits  
And just like that

[Chorus:]  
Baby you belong  
Oh, baby you belong  
Nothing's ever been so meant to be  
Or ever felt so right to me  
Every single part of me believes  
Baby you belong  
Oh, baby you belong  
There really is no mystery  
I think anyone can see  
That baby you belong with me

There's a voice in the silence  
And I heard it promise me  
When you came along  
I know you by heart  
Like a familiar song  
Every word is telling me  
That the time has finally come  
Now here you are  
And I know for sure

[Chorus]  
Like the sun belongs up in the morning sky  
For at least another million reasons why  
Yeah...Oh...
