

Faith Hill, Because You Loved Me

I don't know, how I've survived
In this cold and empty world for all this time
I only know, that I'm alive
Because you loved me
When I recall, what I've been through
There's some things that I wish I didn't do
Now I do, the things I do
Because you love me

(chorus)

And now that you're in my life
I'm so glad I'm alive
Cause you showed me the way
And now I know now how good it can be
Because you loved me

(bridge)

repeat chorus

I believe in things unseen
I believe in the message of a dream
And I believe in what you are
Because you love me
With all my heart
And all my soul
I'm loving you and I never will let go
And every day
I'll let it show
Because you love me
Because you love me
Because you love me
