

# Faith Hill, Cry

(male voice this is the woman)(crying sound)

If I had just one tear rollin' down your cheek

Maybe I could cope

Maybe I'd get some sleep

If I had just one moment at your expense

Maybe all my misery would be well spent

Yeah

Could you cry a little

Lie just a little

Pretend that you're feeling a little more pain

I gave, now I'm wanting something in return

So cry just a little for me

If your love could be caged

Honey I would hold the key

And conceal it underneath

The pile of lies you've handed me

And you'd hunt those lies

They'd be all you'd ever find

That'd be all you'd have to know

For me to be fine

Yeah

And you'd cry a little

And die just a little

And maybe I would feel just a little less pain

I gave, now I'm wanting something in return

So cry just a little for me

Give it up baby

I hear you doin' fine

Nothin's gonna save me

Til I see it in your eyes

Some kind of heartache honey

Give it a try

I don't want pity

I just want what is mine

Yeah

Would you cry a little

Lie just a little

Pretend that you're feeling a little more pain

I gave, now I'm wanting something in return

So cry just a little for me

Yeah

Cry just a little for me

Whoa whoa

Could you cry a little for me

hmmm yeah yeah
