

# Faith Hill, I Will Be Me

(Gordon Kennedy/Wayne Kirkpatrick)

When you start falling  
Who's gonna catch ya  
I'm willing to betcha  
It will be me  
Who's gonna love ya  
Like there's no other  
Search and discover  
It will be me

When all the others  
Have gone and hurt you  
Who won't desert you  
It will be me  
Weighing the options  
So much to think of  
But when you think love  
It will be me

You may not see it now  
Love is strange that way

But someday, someday  
Baby somehow

When you've been broken  
And dreams don't oblige ya  
Who's that beside ya  
Oh, it will be me

You may not see it now  
Love is strange that way  
But someday, someday  
Baby somehow

Who'll be your only  
True romancer  
You know the answer  
It will be me  
What will it take to  
Bring you to your senses  
And finally convince you  
It will be me
