

Faith Hill, It Will Be Me

When you start falling
Who's gonna catch ya
I'm willing to bet ya
It will be me
Who's gonna love ya
Like there's no other
Search and discover
It will be me

When all the others
Have gone and hurt you
Who won't desert you
It will be me
Weighing the options
So much to think of
But when you think love
It will be me

You may not see it now
Love is strange that way
Someday somewhere baby somehow

When you've been broken
And dreams don't oblige ya
Who's that beside ya
Oh, it will be me

You may not see it now
Love is strange that way
Someday somewhere baby somehow

Who'll be your only
True romancer
You know the answer
It will be me

What will it take to
Bring you to your senses
And finally convince you
It will be me
