

Faith Hill, Let Me Let Go (Movie Version)

I thought it was over, baby
We said our goodbyes
But I can't go a day
Without your face goin' through my mind

In fact, not a single minute
Passes without you in it
Your voice, your touch, memories of your love
Are with me all of the time

Let me let go, baby, yeah
Let me let go
If this is for the best, why are you still in my heart
Are you still in my soul, let me let go

I talked to you the other day
Oh, looks like you make your escape
You
Put us behind, no matter how I try
I can't do the same

Let me let go, baby
Won't you
Let me let go
It just isn't right
I've been two thousand miles

Down a dead-end road
Let me let go

The lights of this strange city are shinin'
But they don't hold
No fascination for me
I try to find the bright side, baby
But everywhere I look
Everywhere I turn, you're all I see

Let me, let me let go, baby, won't you
Let me let go
It just isn't right, I've been two thousand miles
Down a dead-end road

Oh, let me let go, darlin', won't you
I just gotta know
Oh, I gotta know
If this is for the best, why are you still in my heart
You're still in my soul
Let me let go
Oh, won't you let me let go
Let me let go
