

# Faith Hill, Piece Of My Heart

Didn't I make you feel like you were the only man?  
Didn't I give you everything that a woman possibly can?  
Each time I tell myself I think I've had enough  
Well I'm going to show you baby that a woman can be tough  
come on, come on, come on, come on  
And it  
Take another little piece of my heart now baby, yeah  
Take another little piece of my heart, ooh  
Break it  
break another little piece of my heart now baby  
You know you got it if it makes you feel good, so good  
You're out on the street lookin' good baby  
Deep down in your heart you know that it ain't right  
No you'll never hear me cry, you know I cry all the time, yeah  
Each time I tell myself that I can stand the pain  
You hold me in your arms and I'll say it once again  
come on, come on, come on, come on  
And it  
Take another little piece of my heart now baby  
Take another little piece of my heart, oh  
Break it  
break another little piece of my heart now baby  
You know you got it if it makes you feel good, so good  
Each time I tell myself that I can't stand the pain  
You hold me in your arms, and I start singing once again  
So come on, come on, come on  
Take another little piece of my heart now baby, yeah take it,  
Take another little piece of my heart, ooh  
break another little piece of my heart now baby, yeah  
You know you got it if it makes you feel good,  
Take a piece of my heart
